Re: Steadfast Networks, LLC's SSAE 18 Examination

To Whomsoever It May Concern:

Steadfast Networks is subject to an SSAE 18 examination annually. Our most recent examination covered the review period of October 1, 2019 through September 30, 2020. A-LIGN, an independent accounting and auditing firm performed the examination.

As of July 26, 2021, to the best of our knowledge, there have been no significant changes in the internal controls of Steadfast Networks which were described in the SSAE 18 Report mentioned in the previous paragraph that could adversely affect such internal controls subsequent to the date of the SSAE 18 Report. Additionally, there have not been any significant deficiencies or material weaknesses in such internal controls that management is aware of.

This letter relates solely to the Client and may not be relied upon by any other entity.

Sincerely,

Mr. Paul Voswinkel  
CFO  
Steadfast Networks, LLC.
